

### REMARKS

In the application claims 54-61, 64-72, and 74-80 remain pending. Claims 1-53, 62, 63, and 73 have been canceled without prejudice. No new claims have been added.

The claims have been amended to place the application into condition for allowance. Specifically, the allowable subject matter set forth in dependent claims 63, 67, 73, and 77 has been incorporated into the independent claims presented herewith. (See, e.g., Office Action of Sept. 25, 2006; pg. 15). As such, it is believed that any outstanding rejections have been rendered moot.

### CONCLUSION

The subject application is considered to be in condition for allowance. Such action on the part of the Examiner is respectfully requested. Should it be determined, however, that a telephone conference would expedite the prosecution of the subject application, the Examiner is respectfully requested to contact the attorney undersigned.

While it is not believed that any fee is due, the Commissioner is hereby authorized to charge any fee deficiency to deposit account number 50-2428 in the name of Greenberg Traurig.
